Google Drive, Google Sheets, Microsoft Excel, Microsoft Word

Film & Production Experience

The Call / Finding Your Dog – Narrative Short Film

Sep 30, 2025 – Present

Production Intern | Continuity, DIT, Production Assistant | **Status:** In Production (NDA)

- Supported all phases of on-set production as a Production Intern, assisting with lighting setup, equipment organization, and general production logistics
- Maintained visual and narrative continuity across scenes and multiple takes while coordinating closely with the director and crew
- Managed digital media assets as DIT by organizing footage and audio files, tracking metadata, and ensuring accurate documentation for post-production workflows.
- Prepared and organized footage and sound assets for a smooth transition into post-production and editorial workflows

Funeral For Bro – Senior Capstone Short Film

Oct 16, 2025 – Present

Sound Recordist / Boom Operator | **Status:** In Post-Production

- Recorded production audio, including dialogue and room tone, while operating the boom mic across multiple scenes
- Actively managed environmental noise (wind, traffic, background interference) to maintain clean, consistent sound capture
- Organized and prepared audio files for post-production and supporting dialogue sync and sound cleanup

Live Event Recording – Purdue University

Nov – Dec 13, 2025

Camera Operator | Purdue University – West Lafayette, IN | **Status:** Completed

Productions: *The Snow* (Theatre), *PCDC Winter Works*

- Operated professional video cameras during live performance events, capturing dynamic action in real time while maintaining consistent framing, exposure, and visual storytelling under deadline-driven conditions.
- Managed exposure, white balance, and image quality to maintain consistent visual clarity across performances
- Anticipated stage blocking and performance beats to determine which performers or moments to prioritize

Animation Experience / Personal Project

Sweet Slumber – Short Film (Live Action & Animation)

Writer / Director | **Status:** Pre-Production

- Developed an original narrative short film combining live-action and animation, with a completed script
- Leading pre-production through storyboarding, shot planning, and visual direction for both live-action and animation
- Coordinating project logistics, scheduling, and cross-department planning between live-action and animation.
